From the Editor

I think it may be time at last to hide the winter clothes somewhere and make room for the summer wardrobe! (Maybe I am being a bit optimistic but never mind!) I'm looking forward to Country Shows, taking longer walks with the dog with no coat on and being able to sit in the garden until late. It's hard to believe that we are halfway through the year.

Thank you for all of your contributions to The Link, if you have a story to tell we would be very happy to include it!

Have a happy June!

Friends of Hintlesham with Chattisham Plant Sale

On behalf of the Friends a big thank you to all those people who assisted in organising this year's Plant Sale including Mary and Barry Williams, Margaret Langton, Carolyne Farralls, Liz King and Jill & Stephen Warner for hosting the event and all the other plant growers in the villages.

By good fortune the day was sunny and warm so Cream Teas and ice creams sold well to what we believe was a record number of people attending the event.

All the proceeds from the event - £2017.00 have been donated to the Hintlesham and Chattisham Churches Restoration Fund.

On Behalf of the Friends - Angela Belli, Julia Faulds, Jill Warner and Julia Woolley

SESAW

SESAW

SESAW has many animals awaiting rehoming including retired racing greyhounds, Bodie and Mikey. They are aged five and four respectively and could be separated but that would be a shame as they have always been together. They need an experienced home with no cats, two on-lead walks a day and a comfy sofa. If you have room in your heart and home for these beautiful creatures, please leave a phone message or email with your contact details.

If you are looking for a new pet to complete your family, please visit the website or call in to see the rescued animals between 10am to 1pm, Thursday to Sunday.

FLOWTON IN FLOWER

17-18 June 2023

The tiny Suffolk village of Flowton - in the middle of nowhere but only a short distance from Ipswich - is opening its gardens and holding a colourful flower festival for the first time in four years.

There will be at least nine very different gardens to visit, and Flowton's wonderful 13th century church will host a spectacular flower festival themed around 'Our church, our community.' There will also be amazing displays of military vehicles, classic cars and vintage tractors, and a local history exhibition. Refreshments, lunches and cream teas will be available throughout the weekend at St Mary's Church.

Proceeds will go to help maintain St Mary's Church, Flowton, and to FIND (Families in Need), the local Ipswich food and furniture bank which provides crucial support to many local families and individuals in need. The flower festival and church will be open from 11.00 am to 5.00 pm on Saturday 17 and Sunday 18 June. Gardens will be open from 12.00 to 5.00 both days.

Flowton is signposted from the B1113 near Bramford to the west of Ipswich, and from the A1071 (Ipswich, Hintlesham, Hadleigh). There is easy access from Junctions 53 (Great Blakenham) and 54 (Sproughton) on the A14.

HINTLESHAM & CHATTISHAM PARISH COUNCIL AGM MEETING NOTES

*Present at the meeting were 8 Parish Councillors,
1 District Councillor and three members of the public.*

*Election of a Chairperson and Officers took place.
Les Cole was proposed as Chairperson this was
unanimously supported by all councillors. The Parish
Council currently have vacancies for 2 councillors.*

District Councillor report

Cllr Busby reported that discussions were taking place regarding leadership following the results of the local elections.

Members of Public were invited to speak and discussions took place regarding several road work issues in the villages. Concern was expressed about the ground works taking place on the old waterworks site near Wolves Wood on the 1071. Babergh Planning enforcement would be approached for further clarification.

The recently elected Chair of the Community Council - Robert Smith attended and introduced himself to the Parish Council.

Discussions took place regarding the Charity Farm site in Chattisham and LC requested Cllr Busby to meet with planning and enforcement at the site to discuss further.

Councillors - Neighbourhood Plan

Cllr JW is currently looking at other neighbouring parishes to help progress ours. Concerns remain regarding traffic through the village (particularly at Policeman's Corner) and the state of repair of Chattisham Lane and a noisy grid cover in George Street. Motorcycles were still being driven at speed along the 1071 at weekends. The VAS (Vehicle Activated Sign) along the 1071 is currently down for servicing.

These notes are my personal interpretation of the meeting and the full minutes can be found on the website. www.hintleshamandchattisham.one.net/parish-council
