## The heartbeat of Hintlesham & Chattisham

*If you've been watching The Euro football on TV, you will no doubt have been shocked by Christian Erikson's collapse in the game between Denmark and Finland. His life was saved by the medics' quick response and the use of a defibrillator. You may be heartened to know that we have the same brand of defibrillator located in our villages. Chattisham's Adrian Waller is an expert in this field and writes...*

Sudden cardiac arrest is a problem which 60,000 people per year in the UK die from. Our Parish council invested in 3 Automated Defibrillators, sited in the two telephone boxes in Chattisham and Hintlesham and another outside the Community Hall opposite the MUGA.

In the event that someone suffers cardiac arrest, in your home or elsewhere in our villages, the first thing you need do is identify that they are unconscious and not breathing, this should quickly be followed by dialing 999 and asking for an ambulance. It is imperative you inform the operator that the casualty is unconscious and not breathing. If there is someone with you, instruct them to fetch the nearest defibrillator to you. At the same time whilst you wait for the defibrillator to arrive commence performing chest compressions on the casualty. It is important that chest compressions only are performed at a rate of about 100-120 compressions a minute. Because of COVID please do not give mouth to mouth ventilations.

Once the defibrillator arrives, remove the casualty's clothing from the waist up, switch the AED on and apply the electrode pads to the victim's chest as shown in the diagram on the electrodes. The device will then tell you to stop touching the patient and may advise "Press the flashing shock button". Please do not hesitate to press the button. The device may also say "No shock advised" in either case it is important you immediately commence CPR.

The AED is designed to make it easy for the likes of you and me to operate. Please continue to follow its commands and continue until the ambulance service arrives.

Once the government covid regulations are relaxed we will try and organise a couple more basic life support sessions in the Community hall.

*Magnificent buzzards are routinely spotted soaring on the thermal currents above our villages. They appear to be thriving, but not all are so fortunate in being fit & healthy. For those wild animals which need veterinary care, one local charity is on hand to assist.*

*Patricia Ferdinando of SESAW writes...*

Several birds of prey, including a buzzard, arrived at SESAW needing intensive feeding due to the wet, cold Spring. One also had a fractured wing which was repaired by our vet. All have now returned to their natural environment including a Barn Owl which is being offered supplementary food to ensure a smooth transition back to the wild.

If a run on the wild side appeals, there is just time to enter the Nayland 10K on Sunday 12th July. This fun, family event (not a race) is well organised and raises lots of money for several local charities including SESAW. Sign up at: [www.nayland10k.co.uk](http://www.nayland10k.co.uk)

The 'new normal' has left us short of animal carers. Jobs include cleaning kennels, dog walking and feeding. If you can help and have a morning to spare each week, please leave a message on our answerphone or email with your details.

## The View From Here ...

*Les Cole, the new Chair of the Parish Council, writes:*

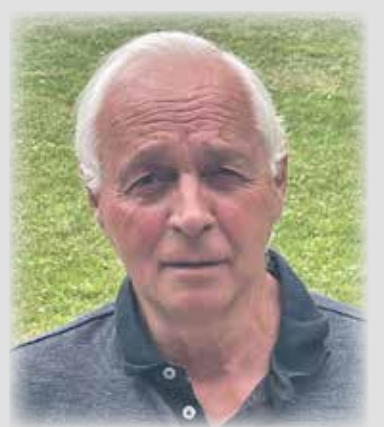

It is absolutely true what retirees say, "I don't know how I ever found the time to go to work". Since retiring from full time employment in 2013, my free time seems to get less every week. In theory retiring should allow more time to develop interests and travel, but in reality, I have become steadily involved in village activities.

When we first moved to the village in 1999, it was to fulfil the dream of building our own house, but not sure the dream included living in a caravan in the garden for a year.

During our time in the village the "View from Here" has changed significantly, particularly with the addition of new properties in Duke Street. This led to me attending the monthly Parish Council meetings, by attending those meetings I discovered a lot more of what was happening in our community, at one of these meetings I agreed to becoming the coordinator for the Community Speedwatch team.

For people who do not know me, you may have noticed me with 2 of the 9 members of the Speedwatch Team, either in George Street or Duke Street, when we are recording vehicle speeds and those exceeding the limit are noted and their details passed to Suffolk Police.

I became a Parish Councillor nearly 2 years ago, and last month was elected as the Chairman, so this will give me yet another View from Here!

*Gerald Main, the editor, writes...*

Firstly, a very heartfelt thank you to everyone who sent me and the family their good wishes during my recent illness. I am now continuing my recovery at home. I especially want to thank Jean, Richard and Hannah who took on the various roles involved in producing The Village Link in my absence. I also want to say how lucky we are in Suffolk to have such brilliant nurses and carers whose skills and talents are only matched by their kindness. One of the nurses in the Shotley Ward of Ipswich Hospital is a regular reader of The Link and I am particularly grateful to her and her colleagues for all they did to aid my recovery.

# Hintlesham School Association Summer Raffle

Jessica Bell, Hintlesham School Association, writes...

Sadly, the hugely successful school Strawberry Fayre is not able to go ahead this year due to covid, but we're delighted to be holding a Summer Raffle instead. The funds raised will go towards equipment and experiences to help enhance the children's school life and education. Raffle prizes will include 'Summer Hampers' and tickets are £1 each.

If you would like to purchase a raffle ticket, and to ensure ticket purchasing is as covid-secure as possible, please email [hintleshamschoolassociation@gmail.com](mailto:hintleshamschoolassociation@gmail.com) and we will respond with details of how to purchase a ticket. Closing date for ticket purchases is Friday 9th July. There will be a live draw on Friday 16th July 2021 in the school assembly.

Any donations of summer themed food and drink items or vouchers for shops/venues are warmly welcomed. Please contact Hintlesham School Association on the email above for details of how to donate. Donations are to be made by 2nd July please.

Many thanks in advance for your support and good luck!

## Recycling Medication Blister Packs

Jenny Cox writes...

Thank you so much to  
everyone who has popped  
their pill packs in the bin, the first lot has been  
delivered to Superdrug in Sudbury. Superdrug  
then pass them on to the recyclers!

Please do drop off any blister packs – small  
bin, between the Wheelie bins, outside 39  
Timperleys.

---

Many thanks from Jean & Don Sanders...

We would so much like to thank all our friends and neighbours for the lovely gifts, cards and messages on the occasion of our Sapphire Wedding Anniversary last month. We have even had a card from Her Majesty. We had a really enjoyable and memorable day.

Thank you all. Jean and Don.

## Garden Club News

Cathy Leney writes...

We are sorry to report  
that we will not be  
holding an Autumn  
Show in September  
this year. We wish you  
a happy summer in  
the garden and look  
forward to resuming our shows in 2022!

## Hall Lunch Change Of Day!

Stephanie Coupland writes...

Due to Covid19 restrictions and for the  
safety for everyone, we are having to  
change our monthly meal to the 3rd  
THURSDAY of the month, because we  
have to use the Main Hall for social  
distancing.

Please check in the Village Link for the  
date we are hoping to start.

## The Hintlesham Dig

It may have lacked the glitz and glamour of a Hollywood film, but recently we had our very own archaeological dig adjacent to Duke Street. The findings were somewhat common place in comparison to those at Sutton Hoo, but nonetheless interesting to residents who live nearby. A Roman brooch, some post-medieval coins, buttons and musket balls were all uncovered in the dig, which was undertaken to examine the historical importance of the area currently being developed in Duke Street.

# H&C Parish Council Meeting Notes -

---

*Notes from the Parish Council meeting held at the Community Hall 10/6/21*

A second, refreshingly welcome, 'face to face' meeting of our Parish Council. We were joined by our trusty District Councillor, Dave Busby. Sadly, Christopher Hudson gave his apologies and asked we consider he join our meetings remotely rather than 'in the flesh'. Christopher also indicated he would be prepared to contribute to the cost of the necessary equipment. This proposal was quickly rejected by councillors who felt it was contradictory to both UK Gov policy and his elected role process of engagement with the Council. We were also joined by 2 members of the public which is always good to see. Nine Councillors were present with apologies from Debbie.

**District Councillor – Dave Busby**, gave us an update on District Council activities. Dave provided the latest position on the potential development at Cobbolds Farm relating to the significant increase in commercial footprint. He also advised members that Babergh have a small parcel of land released to them via a Section 106 agreement to be developed nearby the Persimmon site adjacent to the A1071 (near Letts Swim). It seems likely this may form a combined business and retail park. Closer to home, councillors were disappointed that approval had been given to the retrospective planning application for the Livery Yard on Duke St. David indicated several conditions were in place and suggested if these were contravened, the BDC enforcement team should be notified.

**County Councillor – Christopher Hudson**, Sadly, in Christopher's absence, the council weren't able to discuss any County Council issues.

**Members of the Public** – As ever, 'traffic management' through and parked in the village was topical. Concern was raised at the parking of contractors' vehicles in Duke St in dangerous locations and also blocking pavement access. This remains a real problem in the village and is particularly dangerous for mums & dads with pushchairs or prams needing to circumnavigate these vehicles.

Richard (Youngs) confirmed the police speed check activity with 10 offenders. The expected arrival of ANPR cameras will, potentially, be a significant contribution to our ability to improve traffic management through the village. Sadly, the impact of the checks is still being diluted by social media 'tip offs' which is particularly frustrating when we are being supported so well by Suffolk Police who share our concern over traffic speeds in the village.

## **Planning**

**DC/21/02835 – Wellington Cottage, Duke St, Hintlesham.** (The erection of single storey extension) Councillors raised no objection to their plans.

**DC/21/03025 – Park Farm House, Back Road, Hintlesham.** (The replacement of 10 windows) Councillors raised no objection to their plans.

**DC/21/03144 – Linden Cottages, Duke St, Hintlesham.** (Discharge of Conditions – Refuse bins & Collection area, Construction Management & Suffolk Habitats Sites Mitigation) Councillors raised no objection to their plans.

**DC/21/02783 – Land to the East of Duke St, Hintlesham.** (Discharge of Conditions – First Occupation and Commencement of Development & Archaeological Works) Councillors raised no objection to their plans.

**DC/21/02835 – Newhaven, Duke St, Hintlesham.** (The erection of single storey front extension following removal of existing porch) Councillors raised no objection to their plans.

**DC/21/02835 – Church Farm, Lower Barn Road, Chattisham.** (Discharge of Conditions – Materials & Fenestration) Councillors raised no objection to their plans.

**PC Meeting Recording Draft Policy** was discussed at length. The Council is currently considering the draft document. A consensus, subject to one or two amendments, was agreed and a further document will be submitted for consideration and approval to the next meeting.

**Councillor Vacancies** – The Council now has 2 vacancies, one for a 'Hintlesham' Councillor and a second for a 'Chattisham' Councillor. Full application details are lodged, via a link, on the village website.

**Playground Resurfacing & Additional Works** – The Community Council had reported to the Parish Council that unexpected additional works would be required to the play equipment due to the timber legs being predominantly rotten. The Community Council had agreed to have these repaired with steel collars. These additional costs will be covered by the Community Council, their request was that the Parish Council recover the VAT element of the cost. Councillors were concerned that this may not be appropriate and asked the Clerk to take advice prior to a decision being agreed.

---

**National Grid (Bramford to Twinstead)** – Peter gave councillors a succinct update on activity around this matter.

**Finance** – Councillors agreed to the presented expenses.

**Footpaths** – Reported on by Councillor Stephanie. She confirmed there were issues on footpath 7 which were being dealt with as was the gate on footpath 17. Les confirmed the footpath through the 'St Nicholas' area is overgrown and needs a 'trim'.

**Public Transport** – Reported on by Councillor Ben Cox. Ben confirmed bus services had resumed and a Saturday bus now runs. Timetables are on the village website.

**Red GPO Boxes** – The box on Duke St is scheduled for a 're-paint' thanks to a willing volunteer. Sadly, the same can't be said for the Chattisham box as no one has come forward to help. Di Chase said she would attempt to find one. Any Chattisham resident reading these notes 'Your phone box needs you'...! I'm sure Di would love to hear from you.

The full minutes of this meeting will be published on the village website.

These notes are my personal interpretation of the meeting content and do not, necessarily, represent the determined position of the Parish Council.
