FROM THE EDITOR

It's such a lovely time of the year to be out walking the dog. We are so lucky to have the number of pretty footpaths and playing fields that we do here in H and C. Along with the pleasure though comes the responsibility of clearing up after our pets to make sure that those areas remain safe and clean. As you will see in the Link this has been discussed at the Parish Council meeting. Ironically after coming back from a walk with my dog last week I found a large bag of dog poo outside my house on the pavement. It is so important that we all clean up after our pets and take the bags home if you are not near a bin. Happy walking!

Best wishes, Chris Smith

THANK YOU

On behalf of the 'old' Committees and all the people who came to the tea party to celebrate 30 years since we built the Community Hall, I would like to pass on our thanks to Lauren and her team for a marvellous afternoon. The food was lovely and the decorations superb. Well done and thank you to all of you. A wonderful way to celebrate. I am sure the party on 29th will be enjoyable too. Here's to the next 30 years!

AUDREY LORFORD

Roger Chase writes

It is with great sadness that we must record the death of Audrey Lorford on the 24th March.

Audrey was born in Chelsea in 1932, qualified as a Primary Teacher and taught in London for many years. Audrey married Michael and in 1965 they moved into Duke Street. As well as continuing as a Teacher, Audrey was involved in various village activities, it was during her role as Parish Council Clerk that she became the Village Recorder, really because no-one else was prepared to. It was this decision that inspired her to devote so much of her time to research and preserve the history of Hintlesham and Chattisham.

It would be impossible to quantify the effort that Audrey spent in pursuit of her new aim, she learnt to read Latin so that she could translate documents and was passionate about the medieval period. She was relentless in tracking down records, photographs, interviewing people for their memories, nothing was too much trouble for her to record the history of the community that she cared so much about. Much of this was done completely at her own expense.

It was this collection that led to several exhibitions and then, after many years' work the publication of Hintlesham and Chattisham, The Story of Two Suffolk Villages. This she had undertaken with Diane Chase and the support of Michael Downes-Martin.

Anyone who knew Audrey will remember a lovely warm, caring person whose company was always delightful. Whether you knew her not you can only be grateful for her incredible contribution to our community. There will be a memorial service at St. Nicholas Church, Hintlesham on Tuesday May 2nd at 12p.m. There will then be a short family time at the Crematorium Afterwards there will be cake and champagne at Vine Cottage, Duke St at 1.45 to celebrate Audrey's life.

FRIENDS OF HINTLESHAM WITH CHATTISHAM CHURCHES GOLF DAY

Monday 27th March 2023

Many thanks to all those who helped make this year's golf such a success.

By good fortune the day turned out to be one of the few good weather days during what turned out to be the wettest March since 1981.

Thanks to Henry and Debbie and all the team at Hintlesham Golf Club the day ran smoothly with 14 teams participating and enjoying great Club hospitality and catering. Thanks also to Mark Walters for advice and scoring and the Friends team of Julia Faulds, Jill Warner, Julia Woolley and Angela Belli for organising the scoring and raffle. The winning team this year were Glen Avis's 'The Growlers' who were presented with the Michael Deakin Trophy for 2023. The best Individual player was Barry Hitchcock of The Countrymen.

Thanks to the generosity of all those who took part and sponsors the day raised £892.00 for the Hintesham and Chattisham Churches Restoration Fund.

A big thank you to all who took part and to this year's sponsors - Adnams, Suffolk Escapes, Chilli & Chives, Cobblers Cafe Hadleigh, Coes of Ipswich, The Forge Garage, Hintlesham Golf Club and Hintlesham Hall.

Written Following the Parish Council meeting

ANTI-SOCIAL BEHAVIOUR

Whilst the majority of dog walkers are responsible and clear up after their dogs there is a growing problem of dog excrement being left on the 2 playing fields, footpaths and verges, not only is this an offence it is both unsightly and poses a health risk. Please remember to carry suitable bags to clean up when required and deposit the bags in one of the 3 dog bins provided.

We all are frustrated by dog waste when it is not cleared up but can the person who keeps posting plasticised A4 notices on the public footpaths using inappropriate language and threatening to photograph irresponsible dog walkers, publish their photos and return the dog waste refrain from posting further signs.

NOTES FROM THE PARISH COUNCIL MEETING HELD IN THE COMMUNITY HALL, THURSDAY 13th APRIL 2023

There were 10 Parish Councillors present and 2 members of the public. There were no reports from either the County or District Councillors this month.

POT HOLES There were several reports of Pot Holes on our local roads. Chattisham Lane is very bad also Policemans Corner. The Chairman reported that these problems had been reported to Highways. Just a waiting game as to when they will be repaired.

ANTI SOCIAL BEHAVIOUR It has been noted by the Parish Council that laminated posters have been put up on one of our Public Footpaths. The wording is very inappropriate. Please see notice elsewhere in the Link. It also appears that the Clothing Bank at the Community Hall was broken into, the door to the Playing Field Hut forced open and Graffiti on the Bus Shelter on Wilderness Hill. Les Cole and Robin Baldry cleaned the Bus Shelter thanks must go to them both for doing this.

VAS SIGN It seems that the casing on our first VAS sign we purchased has cracked. The Chairman has got a quote for a repair, this will go on the next Agenda in May. Unfortunately it is out of guarantee. The post for the VAS sign has now been erected near Dukas Park and is now in use.

NEIGHBOURHOOD PLAN The Chairman has met up with members from Sproughton and Elmsett Parish Councils to get their feelings on Neighbourhood plans and how they approached doing theirs. The Chair of Elmsett is willing to come and discuss this project with our Parish Councillors hopefully in May/June.

MANHOLE COVER IN GEORGE STREET
This still has NOT been repaired, very annoying for the house owner who lives next to it. Let's hope Suffolk County Council Highways Department gets it sorted soon.

PLANNING

DC/23/01071 Householder Application - Erection of extensions and alterations to the existing ancillary outbuilding to form home office/gym/games room. | Chattisham Hall Mill Lane Chattisham Ipswich Suffolk IP8 3PX. NO OBJECTION

DC/23/01072 Listed Building Consent - Erection of extensions and alterations to the existing ancillary, recreational outbuilding to form home office/gym/games room as per schedule of works. | Chattisham Hall Mill Lane Chattisham Ipswich Suffolk IP8 3PX. NO OBJECTION

DC/23/01185 Application for prior approval for a proposed: Mast and associated apparatus; Development by or on behalf of an electric communications code operator for the purpose of the operators Electronic Communications Network in, on, over or under land controlled by that operator in accordance with the electronic communications code. The Town & Country

Planning (General Permitted Development) (England) Order 2015 (as amended) Schedule 2, Part 16, Class A | Grass Verge South Of Silver Hill Hintlesham IP8 3NJ (baberghmidsuffolk.gov.uk)

No objection to the application, however we have 3 concerns which should be considered:

- 1 Move the mast and associated cabinets as far from the kerb-line as possible to reduce visual impact.
- 2 Provide a drop kerb and vehicle hard standing, to prevent service vehicles negotiating the kerb on a bend in the road with the potential to cause a road traffic collision (service vehicles are proposed every 3 - 6 months)
- 3 The mast and associated cabinets are in a direct line of sight for the Parish Council owned and operated VAS (Vehicle Activated Speed Sign), this is mounted on a 30MPH repeater post at a location approved by Suffolk County Council Highways.

The proposed location for the new mast and cabinets will block the VAS radar signal from capturing the vehicles as they enter the village.

If the EE mast proposal is approved, would it be possible for EE or their contractors to either install a new VAS post in an approved location or cover the SCC cost of £570.00 for the installation of a new post.

DC/23/01159 Full Application - Erection of 1No dwelling including cartlodge and alterations to access (re-submission of DC/21/02623) Land Adj The Old Rectory, The Street Chattisham Ipswich Suffolk IP8 3PY (baberghmidsuffolk.gov.uk)

No objection to the proposed house, scale or design, but providing the development complies with Babergh local countryside planning requirements.

Granted Planning DC/23/00374 Householder Application - Construction of external spiral staircase and hardstanding to rear of garage, to provide access to first floor storage including removal of the existing window at first floor and enlargement of opening to allow for new door. POLICE FORUM

Di Chase had attended the latest Forum which was held in Hadleigh. Her full report will be on the Village website under PC Minutes for April 2023.

She gave us some interesting figures:- 1000 offences in the Hadleigh area (up 16%) after lockdown. Burglaries down but vehicle offences up,

anti social offences down. Serious violent crime up 64% over the whole area but Hadleigh has less problems than other places.
